

## Cincinnati agency honored

The Burkhart Insurance Agency in Cincinnati was recently named one of the recipients of the Five Star Auto & Home Insurance Agent award as presented by Five Star Professional and *Cincinnati Magazine*. Five Star Professional, based in Minneapolis, conducts consumer research to determine the best service providers in various industries.

The Burkhart agency was among those chosen from the 13,290 licensed agents in the Cincinnati area. Local residents completed a survey asking them to evaluate insurance agents they knew through personal experience on a number of criteria, including overall customer satisfaction.

Congratulations to the Burkhart agency on this outstanding honor.
